

Joining a Team

When participating in Team-Based Learning, it is necessary to form and participate in teams. This section will cover how to both create and join a team.

1. In order to join a team, you must first have access to your desired course and quiz. If you already have access, proceed to step 6.

2. There are two ways to join a course and quiz. Either ask your instructor to add you to the course manually, or obtain a quiz code from your instructor. If your instructor has added you to the course, continue to step 3. If your instructor has given you a code or URL, proceed to step 5.

3. In the **My Courses** page of Team-Based Learning, locate your desired course. Click the **Show Details** button to the right of that course.

Choosing a Team Captain

When taking a team quiz, a Team Captain must be selected. The selected Team Captain will be taking the quiz on behalf of the team in the Team-Based Learning system.

1. To begin, select the desired quiz and join the correct team.
2. A box containing Team Captain roles should appear. To the right is a list of team members. Each team member votes for their desired team captain by clicking the blue **Vote** button to the left of their name.

Taking a Team Quiz

Once a team captain has been selected, the captain is the only person who can input answers in the quiz. All participants can view the quiz in progress as the captain answers the questions.

1. Once you have selected the desired quiz and have been voted as team captain, click the **Start Quiz** button to take the quiz.

Note: if you have been selected as the Team Captain and do not see the **Start Quiz** button, refreshing your browser should correct the problem.

The screenshot shows a web browser window with the URL <https://byu-tbl.mendixcloud.com/p/sections>. The page header includes the BYU logo, 'Team-Based Learning', and a user profile for 'Jane' with a 'Sign out' link. Below the header are navigation tabs: 'My Courses', 'Shared Courses', and 'My Quizzes'. The main content area displays the quiz title 'Quiz: Campus Scavenger Hunt' and 'DM 101 Section White - Section 1'. A 'Team1' header bar is visible, with a 'Leave Team' button on the right. The central section is titled 'Vote for Team Captain'. It features a 'Team Captain' box with a crown icon and a list of responsibilities: 'Starts the quiz', 'Selects the answer for each question', 'Submits the quiz', and 'The Team Captain can be voted on again before each quiz'. To the right of this box are two buttons: a green 'Voted' button with a crown icon next to 'You', and a blue 'Vote' button next to 'Bob Student'. At the bottom of the 'Vote for Team Captain' section, a green 'Start Quiz' button is highlighted with a red rectangular border.
