

# How to Locate and View Quiz Results and Statistics

In this section, the instructor will learn how to locate and view quiz results and statistics for specific questions on said quizzes.

At this point, you need to have a course set up, created a quiz and have had students take your quiz. If you have questions on these prerequisites, please visit the previous instruction pages.

1. Navigate to the Course Overview page.

2. Locate the quiz you want to look at stats for. Click on the **Quiz Statistic** button. To find this button, locate the square, blue icon with a white bar chart.

The screenshot displays the BYU Team-Based Learning interface. At the top, the header includes the BYU logo, the course name "Team-Based Learning", and a user profile "Joe" with a "Sign out" link. Below the header, there are tabs for "My Courses" and "Shared Courses". The main content area is titled "DeleteMe Team Purple" and "DM 101 section Purple - Winter 2022". A note states: "You can use the same quiz for multiple sections. Students from any section can use the same link to access the same quiz." Below this, there is a "Quizzes" section with a "New Quiz" button and a search bar. A table lists the quizzes:

Quiz Name	Open for Section(s)	Closed for Section(s)	Student Instant Access Link
Quizzzy Quiz	Sec 1 (Team)	No closed sections	3qbfnhzmp5
	No open sections	Sec 1	zisar6egmx

At the bottom of the page, the Brigham Young University logo and contact information are displayed: "BRIGHAM YOUNG UNIVERSITY, PROVO, UT 84602, USA | 801-422-4636 | 2019 © ALL RIGHTS RESERVED".

3. Click on **Team Quizzes** to view all responses taken by a team. Click on **Individual Quizzes** to view all quiz results taken by an individual. After clicking one of the above options, a drop down menu will appear showing statistics for specific questions from the quiz of interest.

The screenshot displays the BYU LMS interface. At the top, the header includes the BYU logo, the text "Team-Based Learning", and a user profile for "Joe" with a "Sign out" link. Below the header, there are navigation links for "My Courses" and "Shared Courses".

The main content area is divided into two sections. On the left is a sidebar for "DM 101 section Purple - Winter 2022" with a "Course Overview" link. It contains sections for "PERMISSIONS" (with a "View" button), "SECTIONS" (with a "New Section" button), and a list of sections including "Section 1" (with "View" and "Edit" buttons).

The right section is titled "Quiz: Quizzy Quiz - Overall Statistics". It features a navigation bar with "Overall Scores", "Team Quizzes", "Export Team Scores", and "Individual Quizzes". Below this is a sub-section "Export Individual Scores" with a "Section" dropdown menu set to "All Sections".

Underneath the dropdown, there are two summary sections: "TEAMS THAT TOOK THE QUIZ" and "STUDENTS WHO DID NOT TAKE THE QUIZ". Both sections contain a table with columns for "Team", "Participating Members", and "Team Score". Both tables currently display "No items found".

At the bottom of the page, a dark blue footer contains the text "BRIGHAM YOUNG UNIVERSITY" and "PROVO, UT 84602, USA | 801-422-4636 | 2019 © ALL RIGHTS RESERVED".

4. Select the question you are interested in viewing.
